

Submission Formatting Instructions for NERCCS 2020

- We recommend using the provided [latex template](#)
- Page size should be US Letter size (8.5 x 11 inches).
- Write your manuscript in English.
- All margins (left, right, top and bottom) should be 1 inch (2.54 cm).
- Do not include page numbers, headers, footers, or footnotes.
- Use a single column layout, with both left and right margins justified.
- Single space your text.
- Page limit is 1 page, including one mandatory figure.
- Extended abstracts can describe published or in-progress work
- Include a title, a list of authors and their affiliations at the top of the first page. Only the title should be in bold face. Center the title, authors, and affiliations.
- Use 12-point Times New Roman, or the closest comparable font available.
- Extended abstracts should include *one mandatory* figure that illustrates the key results of the presented work. It should have a caption.
- Color figures may be used.
- References are optional, but recommended. References should be referred to from the text using numerical labels in brackets (i.e., “[1]”). References should be sorted in the order they appear in the text.
- Submit your extended abstract as a single PDF file via [EasyChair](#).
- Any questions should be addressed to: nerccs2020@gmail.com
